Dr. Jane Hulon Sims

After over 34 years in education, Copiah-Lincoln Community College President Dr. Jane Hulon Sims has announced her retirement effective June 30, 2023.

"It has been a blessing for me to serve as the eighth president of Copiah-Lincoln Community College for the past five years," said Hulon Sims. "I have been fortunate to have spent 23 years in various leadership roles at the college, but the pinnacle of my career has been serving as president of this incredible institution."

Dr. Hulon Sims has served as president of the college for five years. In past positions at Co-Lin, she served as Vice President of the Wesson Campus, Vice President of Instructional Services, Academic Dean of Instruction, and Director of Planning and Research.

During her tenure as president, Co-Lin has seen new instructional programs and services that have increased student success and graduation rates, construction of new buildings and renovations on all three campuses, and the creation of new partnerships with business and industry within the Co-Lin district. The college has been ranked No. 1 in the state for graduation rates, No. 1 for student success, been named A Great College to Work For, and an Aspen Top 150 Community College.

Construction projects include an eight-court tennis complex, the installation of turf and video board at Stone Stadium, phase one of renovations at Sullivan Baseball field, a Diesel Lab at the Natchez Campus, a new president's home, entrance sign, and numerous other campus beautification projects.

"In addition to my gratitude to each board member, I would like to recognize and express my deep appreciation to my leadership team," added Hulon Sims. "They share my desire for educational excellence on all campuses. Working alongside them has been a joy and an honor."

Dr. Hulon Sims is married to Dennis Sims and is the proud mother of two sons, Will and Drew.

NATCHEZ CAMPUS 50TH ANNIVERSARY

Co-Lin's Natchez Campus celebrated its 50th anniversary of serving the Miss-Lou in August of 2022. The college celebrated with a luncheon welcoming many elected officials, partners, and friends of the campus, a reflection brunch to welcome back retirees and current faculty and staff, and a student event on campus. The Natchez Campus has seen tremendous growth since its early beginnings in the fall of 1972, first being housed in rented buildings in Duncan Park and Natchez-Adams High School, then moving to the town of Washington, Mississippi, before finally settling on the 165 acre site that is home to the campus as we know it today.

Abby Grace Richardson and Coach Meleah Howard celebrate Richardson's grand slam.

Alex Navarro made the most of his experience at Co-Lin by qualifying for the NJCAA Division II National Golf Championship for the second time. Navarro, a Valencia, Spain native, came in 15th place in the 2023 tournament and 11th in the 2022 tournament. For the second straight year, the Lewis Clark State College (Idaho) commit, was named NJCAA Second Team All-American and to the NJCAA All-Tournament Team. Navarro was named to the 2023 NJCAA Division II PING All-Region Team East.

In 2022, Co-Lin sent three team members to the National Tournament. Joining Navarro were Navid Moussi and Tanner Harrison also qualified for the tournament, both completed three rounds but failed to make the cut for the final round.

The 2023 team finished the fall portion of the season as one of the top five in the MACCC. Unfortunately, the team was unable to finish in the top three to qualify for the National Tournament. A bright spot for the Wolves was the play of Navarro and Mousavi. Navarro earned medalist honors in the Meridian Invitational. Chandler Byrd finished third in the Co-Lin Invitational and teammate Mousavi finished fifth in the PRCC Wildcat Invitational and sixth in the East Central Warrior Invitational. Both Navarro and Mousavi were named MACCC Second Team All Conference. Navarro earned a return trip to the National Tournament with his sixth-place finish in the NJCAA District D Tournament.

Allen Kent is in his third year at the helm of the golf team. He is assisted by Dejone Lee.

After a dismal 2022 season that saw the Wolves win only 12 games, Co-Lin baseball has turned the page and there is excitement in the air. A new coaching staff led by first year head coach Adam Chamblee and assistants Chase Stewart and Trip Benson are ready and eager to get the program back on track.

In addition to the new coaching staff, the Wolves have a newly renovated facility that includes a turf infield and foul area, new fencing, new state-of-the-art lighting, new irrigation system, new dugouts, and a new brick and iron fence entrance. Phase One of the project was completed just in time for the beginning of the regular season.

The Wolves finished the season with a 15-35 overall record, 9-19 in the conference.

WOLVES REBUILDING IN 2023

The Co-Lin Men's Tennis team is coming off a 2022 season that saw the team finish 9-8 in the regular season and fifth in the MACCC. The Wolves also made it to the third day of the Region 23 Tournament before their season came to an end after a defeat by Meridian bringing their overall record to 11-10.

The 2023 Wolves finished the season 4-10 overall and 3-7 in conference. This year's roster featured 10 players evenly split between four returning sophomores, one transfer sophomore, and five incoming freshmen. The returning sophomores for the Wolves are Lawson Pearson, August Sullivan, Walker Mitchell, and Caleb Myers. Marco Kalbermatten is the transfer for the Wolves via Wallace State. The five freshman for the Wolves are Landon Banes, Colton Fuqua, Logan Case, and Valentino Millimaci.

The Wolves will play a schedule that features 10 conference matches this season as the teams will play each other just once for standings, which is a change from previous years.

"This is a big change for us going into the season and it makes those matches matter even more because anything can happen on that day and if you lose that match then it could be huge," said Co-LIn head tennis coach Dana Hale. "We are going to have to come prepared and ready to play every match".

"Another change for us involves the Region 23 Tournament where we will play eight teams instead of six, and both tournaments will be played on back-to-back weekends instead of at the same time so that is another new experience we have to look forward to this year."
